RISING STARS STATEMENT OF PURPOSE

The Rising Stars program is a solo and ensemble contest dedicated to fostering the continuous growth of musicians and artists. Rising Stars serves as a vital resource, equipping participants to grow and become confident in their abilities, with the ultimate aim of enhancing the worship experience through vibrant, creative expressions of faith.

Whether at a beginner or advanced level, as a Rising Star, you are on a journey to refine your skills and offer your best in worship.

Rising Stars features the following categories: brass solo, vocal solo, percussion solo, dance solo, drama monologue, piano solo, beginner band, youth band, dance ensemble, drama troupe, singing company, and youth choir. By participating, individuals and ensembles contribute to The Salvation Army USA Central Territory's goal of having live music and arts consistently integrated into worship at all worship centers.

Rising Stars is adopting a dynamic new format in 2025—live and in person! Each division will host its own event, offering comprehensive adjudication across all categories. An outstanding soloist or ensemble will be awarded for each category and level. These outstanding performers receive an invitation to participate at the territorial round, held at Congress in Milwaukee, Wisconsin, during the morning and afternoon on Saturday, June 7, 2025.

All participants and information for the Territorial Round should be submitted by May 5, 2024, to usc.thq.music@usc.salvationarmy.org.

The USA Central Territory's **RISING STARS** purpose is to:

1. Develop and encourage musicians and creative artists.
2. Provide a goal to help motivate individuals and ensembles strive for excellence.
3. Encourage opportunities for participation at the local level on a regular basis.
4. Help soloists, ensembles, and leaders focus on doing their best to glorify God.

RISING STARS PARTICIPANT GUIDELINES

1. Participants must be active and regularly associated with a corps or involved in a corps-based community music and arts program.

3. Participants may **NOT** enter more than **ONE** level of the same solo category.
4. Participants may enter multiple solo and/or ensemble categories per year.
5. Each participant/ensemble will receive a rating (I, II, III, IV) with (I) being the highest and (IV) the lowest, based on a 100-point rubric system. Written comment sheets will be provided.
6. Choice pieces should be appropriate for use in a worship setting and demonstrate the abilities of the ensemble or soloist.
7. Choice pieces should fit within the total allotted time slot, while considering the duration of the set test piece and transition time.
8. Test pieces and guidelines for all categories will be listed on the Territorial Music & Creative Arts Ministries website. www.samusiccentral.org/rising-stars

RISING STARS ADJUDICATOR GUIDELINES

Thank you for agreeing to serve as an adjudicator for Rising Stars. It is our hope that you will strive to make this a genuine and worthwhile experience for the Rising Stars!

Below you will find guidelines for adjudication and a few suggestions to aid you. Please read them carefully so that consistent standards are maintained across all divisions and categories:

1. Adjudicators shall rate all soloists primarily on the quality of performance.
2. Scores should be circled within each category and totaled for an overall score listed at the bottom of the page.
3. Two adjudicators will score each student, and the average will create the final score given. Scores totaling between 89-100 will earn a **I** rating (highest rating), 69-88 earn a **II** rating, 42-68 earn a **III** rating and 1-41 earn a **IV** rating (lowest rating).
4. **Written comments:** It is the obligation of each adjudicator to make written comments. This will prove helpful to students and their instructors. Be sure to be constructive and encouraging in your critique.
5. **Divisional Round:**
